

SENATE BILL No. 416

DIGEST OF INTRODUCED BILL

Citations Affected: IC 14-22-22-3.

Synopsis: DNR deer population control measures. Prohibits the department of natural resources from issuing a scientific purposes license authorizing the administration of a contraceptive drug to a wild animal unless the applicant demonstrates that: (1) the contraceptive drug to be used has been labeled by the FDA for use in the wild animal species that would be the subject of the license; (2) the state health commissioner has certified that the use of the drug on wildlife will not endanger human health; and (3) the state veterinarian has certified that the research methodology proposed by the applicant meets the requirements of the FDA.

Effective: Upon passage.

First Regular Session 112th General Assembly (2001)

PRINTING CODE. Amendments: Whenever an existing statute (or a section of the Indiana Constitution) is being amended, the text of the existing provision will appear in this style type, additions will appear in **this style type**, and deletions will appear in ~~this style type~~.

Additions: Whenever a new statutory provision is being enacted (or a new constitutional provision adopted), the text of the new provision will appear in **this style type**. Also, the word **NEW** will appear in that style type in the introductory clause of each SECTION that adds a new provision to the Indiana Code or the Indiana Constitution.

Conflict reconciliation: Text in a statute in *this style type* or ~~this style type~~ reconciles conflicts between statutes enacted by the 2000 General Assembly.

SENATE BILL No. 416

A BILL FOR AN ACT to amend the Indiana Code concerning natural and cultural resources.

Be it enacted by the General Assembly of the State of Indiana:

1 SECTION 1. IC 14-22-22-3 IS ADDED TO THE INDIANA CODE
2 AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE
3 UPON PASSAGE]: **Sec. 3. (a) The department may not issue a**
4 **license under this chapter authorizing the administration of**
5 **contraceptives to any wild animal unless the applicant meets the**
6 **requirements of this section.**

7 **(b) The applicant for a license described in subsection (a) must**
8 **do the following:**

9 **(1) Submit:**

10 **(A) documentation from the United States Food and Drug**
11 **Administration that the contraceptive drug and any**
12 **adjuvant to be used in conjunction with the contraceptive**
13 **drug has been labeled for use in the wild animal species**
14 **that is the subject of the license; and**

15 **(B) a detailed description of any research methodology and**
16 **design required by the United States Food and Drug**
17 **Administration for use of the contraceptive and any**

adjuvant to be used in conjunction with the contraceptive drug and a wild animal species.

(2) Submit documentation from the state health commissioner certifying that use of the contraceptive drug and any adjuvant will not injure or threaten the health of any human who might consume a wild animal that has received the contraceptive drug.

(3) Submit documentation from the state veterinarian certifying that the research methodology and design submitted under subsection (b)(1)(B) meets the requirements of the United States Food and Drug Administration.

(c) A license under this section may be issued only after the department has held at least one (1) public hearing concerning the application.

SECTION 2. [EFFECTIVE UPON PASSAGE] Notwithstanding any other law, a license authorizing the administration of contraceptives to wild animals that was issued under IC 14-22-22 before the effective date of this act is suspended until the licensee and the department of natural resources comply with the requirements established by IC 14-22-22-3, as added by this act, for the issuance of a license.

SECTION 3. An emergency is declared for this act.
